**Summary of reasons
for classification:**

The publication known as *Wicked!* is classified as:
Unrestricted: Parental guidance recommended for younger viewers.

The publication is an advertisement that will be displayed at bus stops. The advertisement promotes safe sex to men who have sex with men. The top half of the advertisement focuses on a photograph of three shirtless men posing and looking at the camera, while the rest of the poster is made up of text and several small diagrams. The unrestricted availability of the publication is not considered likely to be injurious to the public good. The publication's treatment of sex means that parental guidance is recommended for children, who may be confused by the text in the advertisement. The classification of this publication does not interfere with the freedom of expression.
